## AmeriHealth Administrators NJ Educators Health Plan & Garden State Plan Members

Your vision exam benefit is built into your medical plan and is administered by the medical carrier, NOT Davis Vision.

To search for your vision provider or to find a new provider, please visit [www.myahabenefits.com](http://www.myahabenefits.com).

Present your SHIF AmeriHealth Administrators ID card when services are rendered.

## AmeriHealth Administrators PPO & HDHP Plan Members

Your medical plan has a Davis Vision Rider attached to the plan for vision exams and materials.

You may call the Davis Vision toll-free number on the reverse side of your ID card to verify benefits, find a participating provider or visit [www.myahabenefits.com](http://www.myahabenefits.com) to conduct a search.

If you were already receiving services from a Davis Vision participating provider, you may continue to do so, simply present your SHIF AmeriHealth Administrators ID card.
